Active Safety guarantees the photoluminescent properties of all products for 25 years from the date of delivery.

Additionally Active Safety guarantees all products to be free of material defects for 5 years from the date of delivery. Adhesive attachment tape is not covered by this Warranty.

Due to uncontrollable installation variables, Active Safety makes no warranty in regard to product performance in specific locations and assumes the Purchaser has verified that photo-luminescent products will be suitable for the use intended.

At Active Safety's option, this Warranty is limited to repair or replacement of defective material and is limited to the cost of the original material plus standard ground shipping costs by Active Safety to send Purchaser repaired or replaced material.

Costs incurred by Purchaser, including but not limited to labor, shipping, taxes, profit loss and consequential damages are not covered.

These terms constitute the sole obligation of Active Safety.
